

**2018 Annual Report to Donors and Friends**  
**Accomplishments: October 2017 through September 2018**  
**Serving Haiti since 1999**

*"We do believe we can have more impact for the people of Haiti, where most of them live with less than \$2 US per day, so they can't afford to pay for surgeries, they can't afford to pay for medical care, and we do think people need to have good quality health care."*

-Dr. Jean Fritz Jacques, MD, MBA, Medical Director Healing Art Missions,  
 Right: receiving his MBA in September of this year.

Community Health worker, Ferdinand managing clinic set-up

Charles evaluating a patient with the help of a LUCI light

**Small Programs include:**

APDD, Croix-des-Bouquets based social justice organization partners with communities, like Dumay, to help fight crime and improve community safety. We support them by paying their yearly office rent. Consultation fees are paid for specialized patient care. Clothing and blankets are distributed to children in need. HAM pays school tuition for orphaned children in need. We support Haitian artists by purchasing their art for sale in the USA. "Days for Girls" menstruation supplies are distributed to young women in Dumay.
